Residential Contractor Reward Application (\$100) Heat Pumps

Terms and Conditions

- The contractor must be currently enrolled as a Trade Ally with the MECA Energy Optimization program to be eligible for the Contractor Reward.
- This offer is valid for the installation of a qualifying new mini/multi-split ductless air-source heat pump, central air-source heat pump, ground-source heat pump, or heat pump water heater. Equipment must be purchased and installed between January 1, 2019 and December 31, 2019.
- Approval of this application is subject to approval of the customer's/member's Residential HVAC Incentive Application. The contractor agrees to the Terms and Conditions of that application. See michigan-energy.org for the appropriate Residential HVAC Incentive Application.
- The 2019 Residential Contractor Reward program is available for electric utility customers/members in the following electric service territories: Alger Delta Electric, Great Lakes Energy Cooperative, Midwest Energy & Communications, City of Escanaba, HomeWorks Tri-County Electric Cooperative, Presque Isle Electric & Gas Co-op, Cloverland Electric Cooperative, Ontonagon County REA, City of Stephenson, and Newberry Water & Light Board.
- Funds for rewards are limited and available on a first-come, first-served basis. Total annual Contractor Reward amount is limited to \$2,500 maximum per Trade Ally.
- This application must be submitted within 60 days of the most recent installation listed above.
- The MECA Energy Optimization program or any participating utility will not be responsible for any taxes that may be imposed on your business as a result of the payment of rewards. Rewards when aggregate totals are \$600 or more in a calendar year will be reported to the IRS unless your business is exempt. You are urged to consult your tax advisor concerning your tax liability.
